MESSAGE FROM THE PRESIDENT

Dear MLP Student:

When Sixteenth President Abraham Lincoln met with General Oliver Otis Howard in the fall of 1863, he asked Howard to “do something” for the people of this region who had remained loyal to the Union. It took 30 years for Howard to fulfill Lincoln’s wishes, but the result of his resolve has changed lives for more than a century. Lincoln Memorial University is a living legacy to President Lincoln. Ours is a mission that has remained solid, a guiding light for thousands of men and women whose lives have been transformed by their experiences here. This is now your opportunity to realize your dream of completing your education and enhancing your career path for years to come. Since its inception in 2005, approximately 230 individuals have earned their Bachelor of Science degree in the Management and Leadership Studies Program. Over fifty of our graduates from the Management and Leadership Studies Program have gone on to pursue their MBA’s, Masters of Education and Physician Assistant Degree.

As a student in the Management and Leadership Studies Program, you have made a very important decision to return to college to complete a degree that you may have begun years ago. Congratulations on making a wise decision to continue your education. The people of LMU are committed to provide you with the best education possible, and we are confident that when you leave here you will be ready to excel in your career. I am honored that you have chosen LMU for your education. Faculty, staff, and administration are here to serve you and to ensure that your experience here is a memorable one.

The LMU team is a great one. While I am confident that you will find what you are looking for here, notably a quality education and a caring faculty and staff who do an outstanding job in providing individual attention, I also charge you to make the most of this opportunity to excel in your career and to take advantage of every learning opportunity that is available, whether inside or outside the classroom. Now that you are here, it is your time to grow and to become part of the legacy that began in 1897; it is a legacy that is alive and well, and we are honored that you are a part of it. Please feel free to let me know how I can help make your time at Lincoln Memorial University a great one. Continue the legacy...

Sincerely,

Dr. B. James Dawson
President

MISSION AND PURPOSE OF THE UNIVERSITY

Lincoln Memorial University is a values-based learning community dedicated to providing educational experiences in the liberal arts and professional studies. The University strives to give students a foundation for a more productive life by upholding the principles of Abraham Lincoln's life: a dedication to individual liberty, responsibility and improvement; a respect for citizenship; recognition of the intrinsic value of high moral and ethical standards; and a belief in a personal God. The University is committed to teaching, research and service. The University's curriculum and commitment to quality instruction at every level are based on the beliefs that graduates must be able to communicate clearly and effectively in an era of rapidly and continuously expanding communication technology, must have an appreciable depth of learning in a field of knowledge, must appreciate and understand the various ways by which we come to know ourselves and the world around us, and must be able to exercise informed judgments. The University believes that one of the major cornerstones of meaningful existence is service to humanity. By making educational and research opportunities available to students, Lincoln Memorial University seeks to advance life throughout the Appalachian region and beyond through teaching, research and service.

(Revised July 2012; approved by Board of Trustees, November 13, 2012).

11. Provide a caring and nurturing environment where students, faculty and staff with varied talents, experiences and aspirations come together to form a diverse community that encourages students to grow intellectually and personally to meet their academic and career goals.
12. Provide quality educational opportunities through selected degree programs for students who live or work a significant distance from the Lincoln Memorial University main campus, and for whom other options are not as accessible or satisfactory.

REFUND POLICIES

Refund of Institutional Tuition

In the event a student drops one or more classes, withdraws, or is administratively dismissed from the University for disciplinary or for financial

reasons after registration is completed and prior to the end of a semester of enrollment, the student's eligibility for a refund of appropriate institutional tuition, room and board charges will be prorated as indicated. A student must complete a Change of Schedule form (obtained from the Office of the Registrar) for dropping one or more classes. Any situation in which all classes are dropped is considered to be a withdrawal from the University. The student initiates this process by meeting with the Vice President for Enrollment Management and Student Services to complete an official withdrawal form. Should the student fail to complete this process, all semester charges will become immediately due and payable (refer to "Withdrawal from the University").

The official withdrawal process begins in the Office of Student Services. For students in the MLP, please contact your Coordinator of Students Services directly. A withdrawal form must be completed and all the necessary signatures obtained. ***Oral requests do not constitute official notification.*** The University official date of withdrawal used to compute the refund is determined by the Office of Finance. Applicable institutional charges for fall and spring semesters will be refunded according to the following schedule:

Through the first official day of classes	100%
After the first official day of classes and	
during the first week of the semester	90%
During the second week of the semester	75%
During the third week of the semester	50%
During the fourth week of the semester	25%
After the fourth week of the semester.....	0%

No refund of institutional charges will be made after the fourth week of the semester. Specific dates affecting the schedule of refunds appear on the Registration Policies page of the electronic class schedule, WebAdvisor, which is available on the LMU web site by selecting the Current Students and Faculty link; and/or the Office of Student Services, the Office of the Registrar and the Office of Finance.

Refund schedules pertaining to summer and mini terms are adjusted to the varying length of the terms. They are also available in WebAdvisor by selecting the given term.

The Return of Title IV Funds

The Higher Education Amendments of 1998 regulate how colleges and universities handle Title IV funds when a recipient withdraws from school. This policy is separate from the University's refund of institutional charges. The return of Title IV funds includes Pell Grants, Federal Supplemental Educational Opportunity Grants, PLUS Loans, Perkins Loans and Stafford Loans. The policy states that up through the 60% point in each semester a pro-rata schedule will be used to determine how much Title IV aid the student has earned. For example, if the student has attended 31% of the enrollment period, the student has earned 31% of his/her Title IV aid, and 69% of the aid must be returned to the federal government. After the 60% point in the semester, the student has earned 100% of the aid for which the student was eligible. Additional information on the return of Title IV funds may be obtained from the Financial Aid Office.

Refund of Credit Balance

In the event a combination of grants, scholarships, and/or payments results in a credit balance on the student's account, the Finance Office will refund the credit balance to the student. All institutional aid must be applied toward tuition, fees, and on-campus room and board expenses. All federal, state and institutional grants are credited to the student's account first, and any institutional grants or scholarships are applied to the balance of the student's aid eligibility for the semester. No cash refunds are made from institutional funds.

Financial Aid: Policies and Procedures

Lincoln Memorial University recognizes the problem of constantly increasing educational costs and thus offers a substantial program of financial aid to help students pay for their education. The University makes every effort to ensure that qualified students are not denied the opportunity to attend LMU due to their limited financial resources. Frequently, it is less expensive to attend a private college than a public University since institutional funded financial aid is designed to equalize educational costs. At LMU, more than \$24 million is awarded to qualified students under federal, state, and institutional financial aid programs.

Except for specific academic and athletic scholarships, all financial assistance at Lincoln Memorial University is based on financial need. Need is defined as the difference between the cost of attending Lincoln Memorial University and the calculated expected family contribution toward that cost. After the student submits the necessary application forms, the Financial Aid Office will determine the student's eligibility for financial assistance.

Each applicant for financial aid must submit a Free Application for Federal Student Aid (FAFSA). The FAFSA must be mailed to the federal processing center in time to be received by April 1 for students entering the following fall. The FAFSA may also be submitted on-line at <http://www.fafsa.ed.gov>.

The priority deadline to apply for financial aid is April 1.

Academic Progress for Financial Aid

The Higher Education Amendments of 1992 stipulate that no advance of Title IV funds may be made to a student unless the educational institution determines that the student is maintaining satisfactory academic progress. Students who fail to maintain satisfactory progress may not receive the following types of financial aid: Federal Pell Grants, Federal Supplemental Educational Opportunity Grants, Tennessee Student Assistance Awards, Tennessee Education Lottery Scholarships, Lincoln Grants, Federal Work-Study, Federal Perkins Loans, Federal Stafford Loans, Federal PLUS Loans, other aid involving Title IV funds, or any other aid for which satisfactory progress is a requirement. These policies apply only to students eligible to receive financial aid.

A student is considered to have made satisfactory academic progress provided he/she passes at least 75% of the credit hours attempted per year. Also, the student must maintain a cumulative minimum grade point average as outlined below:

Hours Attempted	Cumulative GPA
1 - 15	1.00
16 - 32	1.25
33 - 49	1.50
50 - 64	1.63
65 - 80	1.75
81 - 96	1.88
97 - 107	1.95
108 - graduation	2.00

No student will be eligible to receive financial aid for more than 150% of the published length of the program. This equivalency will be measured by credit hours attempted. For example, a student seeking a baccalaureate degree totaling 128 credit hours cannot receive aid for more than 192 attempted hours ($128 \times 150\% = 192$). Academic progress for transfer students will be evaluated in accordance with the student's grade level classification and academic performance at Lincoln Memorial University.

If a student receives financial aid for any part of a semester, that semester is counted as a complete semester of aid. Incompletes or repetitions will not be counted as meeting the minimum course requirements.

Satisfactory academic progress will be reviewed at the end of the spring semester. A student whose academic performance drops below the minimum standards will be placed on financial aid probation. A student can retain financial aid while on probation for one semester but must come off probation before the next semester in order to retain financial aid. During the semester a student is placed on financial probation, he/she must complete twelve credit hours and attain a 2.00 GPA for that semester to avoid suspension of financial aid eligibility.

Students who have been placed on financial aid suspension may reestablish satisfactory academic progress by completing twelve credit hours and attaining a 2.50 GPA for those 12 hours. Any student receiving financial aid who does not meet the satisfactory progress requirements and whose aid must be withdrawn will be given written notice. The student is responsible for seeing that the Office of the Registrar has the correct mailing address at all times.

Any student whose financial aid has been terminated due to unsatisfactory progress may submit a written appeal to the Financial Aid Committee explaining why satisfactory progress was not maintained and giving any reasons why aid should not be terminated. All appeals must be submitted within two weeks from the date the student receives notification that her/his financial aid has been terminated. The committee's decision is final.

Again, it should be noted that the aforementioned policy relates to financial aid suspension under Title IV programs and is not to be confused with the University's academic progress policy related to academic suspension.

Standards of Academic Progress

A 2.00 cumulative grade point average (GPA) is required for graduation; any student not maintaining that standard will be placed on academic probation for the subsequent semester and will remain on academic probation until the cumulative GPA is at least 2.00.

Students who have been on academic probation for at least one semester and their cumulative GPA is less than the level indicated below for a specific hourly range are subject to suspension for a period of one regular semester. **Full-time students who fail all course work for the semester are subject to suspension without being placed on probation.**

A student who is academically suspended from the university may apply for re-admission after the elapsed suspension period by submitting a written request to the Academic Affairs Office a minimum of 30 days prior to the beginning of the semester for which the student is requesting re-admission. A student who has been academically suspended is not guaranteed re-admission.

A second Academic suspension will result in suspension for a full calendar year. A third academic suspension will result in permanent dismissal from the university

Students on academic probation will be referred to the appropriate officials for academic/personal counseling; students may attend the summer semester as an opportunity to remove probation status prior to the new academic year. **Students on academic probation will be required to attend tutoring as a condition of their continued enrollment. Individual tutoring schedules must be approved in the Office of Academic Affairs. Students on probation may register for 12 to 16 hours during their probationary period with schedules approved in the Office of Academic Affairs.**

GPA Required to Avoid Suspension

Hours Attempted	Cumulative GPA
0-29 Hours	1.50 GPA
30-45 Hours	1.75 GPA
46-59 Hours	1.90 GPA
60 + Hours	2.0 GPA

ACADEMIC POLICIES AND INFORMATION

Basic Requirements for Undergraduate Degrees

All candidates for baccalaureate and associate degrees must fulfill a collection of requirements indicated throughout the various sections of this catalog. The basic requirements candidates must fulfill include:

1. Completing a minimum of 128 semester credit hours (unless stated otherwise under a given program) for the baccalaureate degree, comprised of courses in the major program, General Education Core Curriculum, and electives and/or minor program.
2. Completing a minimum of 65-75 semester credit hours (specific number depends on the program chosen) for the associate degree.
3. Completing the Associate or General Education Core Curriculum requirements appropriate to the degree.

4. Completing all course requirements of the declared baccalaureate major or associate degree program.
5. Completing the last 16 semester credit hours for the associate degree and the last 32 semester credit hours for the baccalaureate degree at Lincoln Memorial University.
6. Completing, for the baccalaureate degree, a minimum of 42 semester credit hours of 300/400-level courses.
7. Baccalaureate degree requires completion of the junior and the senior level writing requirements and so noted on the transcript.
8. Achieving a minimum 2.00 cumulative grade-point average (GPA) for all coursework.
9. Achieving a minimum 2.00 GPA for coursework within the declared baccalaureate major or associate degree program, unless more stringent requirements are stated in this catalog under the academic department headnote or program notes in the sections "Undergraduate Academic Programs" and "Undergraduate Course Descriptions."
10. Obtaining official certification for graduation verified by the assigned academic advisor, chair of the appropriate academic department, and the University registrar.
11. Participating in the Commencement ceremony following the completion of all degree requirements.
12. Participating in all outcomes assessment testing (e.g., general education assessment, major field assessment, etc.) and activities when requested. Students may be required to complete one or more questionnaires and to take one or more standardized tests to determine general educational achievement as a prerequisite to graduation. Unless required in a particular program, no minimum score or level of achievement is required for graduation or type of degree awarded. Participation may be required of all students, students in certain programs, or those selected on a sample basis. Students who do not participate in such testing, without prior approval from the Vice President for Academic Affairs, or who take the test but perform in a frivolous manner, will be subject to some form of sanction which may include suspension.

Additional requirements may appear explicitly or implicitly in policy, procedural, and program statements throughout this and other sections of the catalog and on the website.

Writing Requirement:

Sequential Enhancement of Writing Skills (SEWS)

LMU requires that each student demonstrates minimum competency in writing and information literacy each year of his/her degree program. Freshman year requirement is met by satisfactory completion of ENGL 110 or ENGL 120. The sophomore requirement is met by satisfactory completion of ENGL 210. Thereafter, selected courses within each major program include assignments that provide opportunities to meet the writing and information literacy requirements at the 300 and 400 levels. Successful completion of the SEWS assignments is

required for graduation. The MLP Core Curriculum has designated MLS 309 International Business to satisfy the 300 level SEWS writing and information literacy assignment and MLS 440 Business Strategy to satisfy the 400 level SEWS writing and information literacy requirement.

Academic Advisement

The student bears ultimate responsibility for effective planning, progression, and completion of all requirements for the chosen degree. However, good academic advisement may make the difference between just going to college and obtaining a sound, well-rounded education. Therefore, each student is assigned an academic advisor. Students should take full advantage of the knowledge, counsel, and personal concern available from academic advisors. MLP students begin their advising process by first participating in a personal interview as a requirement for entry into the program and developing a program plan. Students are encouraged to meet with their advisor throughout the 64 weeks of study but are required to have an advising session prior to registering for each of the four semesters of the program. All MLP students will also complete an exit interview prior to completing the MLP Core Curriculum.

Personal Counseling and Services

Lincoln Memorial University recognizes that very often academic problems interrelate with psychological, emotional, and social experiences of the student. Thus, a variety of programs, people, and services work together to meet the needs of students. Any one office will serve as a referral point for services outside the expertise of that particular office. The Coordinator of Student Services at each MLP Site, MLP Program Director, the Tagge Center for Academic Excellence, and the Office of Student Services serve as an initial contact for the student. Students in the MLP are encouraged to make initial contact with their Coordinator of Students Services at their respective site. Cedar Bluff Students would contact Julie Longmire @ 865.531.4105 or Julie.longmire@lmunet.edu; WSCC-Morristown & Sevierville Students would contact Cindi Husk @ 423.318.2750 or cindi.husk@lmunet.edu; SECC-Middlesboro students would contact Dr. Daniel Graves @ 865.585.8929 or Daniel.graves@lmunet.edu

Student Classifications

Classifications are determined by the number of semester credit hours completed:

Freshman	-	0-29
Sophomore	-	30-59
Junior	-	60-89
Senior	-	90-graduation

The Grading System

Grades and quality points represent the instructor's final assessment of the student's performance in a course. The "C" grade is the instructor's

certification that the student has demonstrated average mastery of the material. The grade of “B” signifies that the student has, for any combinations of reasons, gained a significantly more effective command of the material. The grade of “A” is interpreted to mean that the instructor recognizes exceptionally high performance. A student is graded “D” when a grasp of the course is minimal. The “F” grade indicates failure to master the minimal level required and the necessity for successful repeating of the course before credit will be awarded. A quality point is the value assigned to a letter grade. Effective fall semester 1999, Lincoln Memorial University adopted a plus/minus grading system for its undergraduate curriculum.

A	=	4.0 quality points per semester credit hour
A-	=	3.67 quality points per semester credit hour
B+	=	3.33 quality points per semester credit hour
B	=	3.0 quality points per semester credit hour
B-	=	2.67 quality points per semester credit hour
C+	=	2.33 quality points per semester credit hour
C	=	2.0 quality points per semester credit hour
C-	=	1.67 quality points per semester credit hour
D+	=	1.33 quality points per semester credit hour
D	=	1.0 quality point per semester credit hour
D-	=	0.67 quality point per semester credit hour
F	=	no quality points earned

Other possible grades or transcript notations include:

I	=	Incomplete. If the request for an “I” grade is approved, the work must be completed within the first six weeks of the following semester (excluding summer terms); otherwise the grade automatically becomes “F.” The grade of I is calculated in the grade point average with zero points.
P	=	Passing. Given for credit hours but not for quality points. Not computed in grade-point average (GPA).
IP	=	In Progress. Work is progressing, but student must register again for the course the following semester or the next semester of attendance in order to complete the required work for the course. The IP grade is restricted to specific courses in the curriculum.
NC	=	No Credit. No credit assigned for the course.
SC	=	Special credit. Not computed in the GPA.
CE	=	Credit by Examination. Not computed in the GPA.
AU	=	Audit. Denotes official audit of course; no credit awarded nor grade assigned.
WD	=	Withdraw. Denotes official withdrawal from the course. See “Change of Schedule” and “Withdrawal from the University.”

Pass/Fail Grade Option

A student with junior or senior classification may take up to 12 semester credit hours of 300-level and/or 400-level courses to be graded simply pass/fail, applicable to degree requirements but **outside** the major program requirements.

This option must be declared prior to mid-term on the official form available in the Office of the Registrar.

Official Academic Records

The Office of the Registrar houses official academic records. The student's permanent academic record may contain the following:

- Name
- Social Security number (partial number since 1980) or numeric identifier
- Chronological summary of Lincoln Memorial University coursework and grades
- Transfer credits, special credits (SC), and credits by examination (CE)
- Degree earned
- Date(s) degree requirements completed and degree conferred

Instructors report final grades to the Registrar at the end of the course. Students receive their grades electronically through WebAdvisor. Any student wishing to receive a printed copy of his/her grades must submit a written request to the Office of the Registrar before the week of final exams.

For MLP students wishing to receive a printed copy of his/her grades must submit a written request to the Office of the Registrar.

To receive due consideration, any challenge regarding the accuracy of a student's academic record must be submitted in writing by that student to the Registrar within one year of the term in question.

The student may obtain or have forwarded to designated parties copies of his/her academic transcript by submitting a written request to the Office of the Registrar. The University cannot transmit any transcripts electronically (FAX). The cost of each transcript is \$4.00. The student's account with the Finance Office must be paid in full and Perkins student loans must be in a current non-defaulted status prior to the release of any official grades, academic transcripts, or access to WebAdvisor.

Delta Mu Delta - Delta Mu Delta is a business honor society that recognizes and encourages academic excellence of students at qualifying colleges and universities to create a DMD community that fosters the well-being of its individual members and the business community through life-time membership. Students in the Management & Leadership Studies program who qualify for this honor society will receive an invitation to be inducted. For further information on Delta Mu Delta, please refer to their web-site at DeltaMuDelta.org or see the School of Business Faculty Advisor.

Honors

Students carrying a course load of twelve or more semester credit hours (beyond any declarations under the "Pass/Fail Grade Option"), earning a semester GPA of 3.50, with no grades of I, IP, D, F, or NC, are named to the Dean's List for that semester.

Upon completion of the undergraduate degree requirements, students receiving the associate degree who have earned 30 semester hours at LMU, as

well as students receiving the baccalaureate degree with 60 semester hours earned at LMU, will be considered for graduation with the following honors: students achieving a cumulative GPA of 3.50 may graduate *cum laude*; with a GPA of 3.75, *magna cum laude*; and with a GPA of 3.95, *summa cum laude*. The Valedictorian and Salutatorian are selected from those students receiving a baccalaureate degree with at least 100 semester hours earned at LMU.

MLP students who anticipate having a cumulative GPA of 3.50 or above must complete the MLP Core Curriculum of 54 credit hours in addition to 6 more elective credit hours for a total of 60 credits earned with LMU to be eligible for graduation honors.

Change of Schedule

Occasionally the student may determine after the first or second class meeting that he/she needs or wishes to change his/her schedule by adding (enrolling in) and/or dropping (withdrawing from) one or more classes. Such changes should not be made, however, without consulting the academic advisor. **Also, such changes can be made only by using the official Change of Schedule form and fully processing the change through the Office of the Registrar and the Finance Office.**

The student may add courses to her/his schedule through the “last day to complete registration” as announced in the Academic Calendar, and beginning at that date there is a \$15 per course fee for adding or dropping courses. Based on the Academic Calendar regarding dropped courses, there are important **deadlines** which affect the grade or notation that will appear on the student’s academic transcript. See the Academic Calendar and take special note of:

Last day to drop without “WD”

If the course is dropped before that date, the course will not appear on the transcript; if the course is dropped after that date, the course will appear on the transcript with a notation of WD (for “Withdrew”).

Last day to drop without “F”

If the course is dropped after that date, the course will appear on the transcript with the grade F.

Withdrawal from the University

“Withdrawal from the University” refers to the official process in which the student withdraws from ALL classes, from the residence hall (if applicable), and from any current student relationship with the University. MLP students will need to contact their Coordinator of Student Services to initiate this process. The student initiates this process by meeting with the Dean of Campus Development and Campus Life. After this counseling session, the student receives a withdrawal form, which requires the following signatures: ; Dean of Campus Development and Campus Life; School Dean; Registrar; Director of Financial Aid; Bursar; and for any International Student or a recipient of Veteran’s Benefits, the Dean of Community College Partnerships and Transfer Articulation / Academic Affairs. The student must also return his/her student identification card, meal card (if applicable) and parking sticker to the Office of

Student Services when withdrawing from the University. Further, any withdrawing student who has received a student loan must have an exit interview with a Financial Aid Counselor.

Caution: Courses for which the student is registered will appear on the transcript with a notation of “WD.” The official date of WD will appear with courses. Further, any student who ceases attending classes before the end of the semester, mini-term, or summer term without completing official withdrawal from the University automatically receives the grade “F” for such course(s), so noted on the student’s academic transcript. Withdrawal from the University does not affect the cumulative GPA of the student if processed by the close of “last day to drop without ‘F’,” as announced in the Academic Calendar.

The financial status of the student is affected by withdrawal from the University in the following ways:

1. Refunds for tuition and fees are credited to the student’s account according to the refund schedule.
2. Housing and meal fees are credited to the student’s account according to the refund schedule.
3. Financial Aid will be prorated to the student according to the Federal Return of Title IV Funds Policy. Withdrawal after the refund period means the student will have used an entire semester’s eligibility of aid.
4. The balance of the student’s account with the Finance Office will be credited or billed to the student as appropriate.
5. Once the student has completed registration, i.e., turned in the registration form to the Office of Finance, the student is liable for all registration fees even though classes have not been attended, unless the student completed an official withdrawal form.
6. Students who are suspended from LMU or ineligible to continue in an academic program because of grade deficiencies and who are registered in advance for the subsequent semester, must complete an official withdrawal form.

Refer to “Refund Policies” for detailed information.

Transfer Credits from Other Institutions

Lincoln Memorial University will evaluate, for potential transfer, credit awarded by other institutions accredited by associations (regional or national) recognized by the Council of Higher Education Accreditation and/or the U.S. Department of Education. Lincoln Memorial University must evaluate all potential transfer credit and determine if such credit is equivalent in terms of academic level, content, quality, comparability of student learning outcomes, and degree program relevance to course work offered through the University’s curriculum. In all cases, student learning outcomes for course credit accepted in transfer for fulfillment of degree requirements (general education or major program) must be determined by evaluation to be equivalent to those of courses offered by Lincoln Memorial University. The University maintains direct transfer and articulation agreements with a number of two-year institutions. Other policies governing transfer credit include:

1. Developmental or remedial courses are recorded but do not apply to the degree.
2. All courses and grades are recorded and calculated in hours attempted, hours earned and cumulative G.P.A.
3. Transfer students who have earned an Associate of Arts degree or an Associate of Science degree in a university parallel program (typically consisting of 45-55 semester credit hours of general education course work in the liberal arts disciplines) from an accredited institution may be required to complete additional general education course work in order to meet the University's expected learning outcomes, core licensure or certification requirements in professional programs. If the student has the grade of "D" in a course required in the General Education Core or required in the major, the course must be repeated. The transfer grade of "D" will not apply to LMU's General Education Core or major requirements. **All students** are required to complete LNCN 100, Lincoln's Life and Legacy. Students pursuing the baccalaureate degree are **also** required to complete LNCN 300, American Citizenship and Civic Life. Students enrolled in the Management & Leadership Studies Program meet the LNCN requirement upon completing MLS 301 Lincoln's Legacy: Yesterday and Today. Students who have earned an Associates of Art (AA) or Associates of Science (AS) degree from a SAC's Accredited Tennessee or Kentucky institution will have completed all General Education core requirements set forth by Lincoln Memorial University as a component of the Tennessee Transfer Pathway Program as approved by the University spring 2012. Students earning the Associates of Arts (AA) or Associates of Science (AS) degree from any other regional accrediting body will require approval of their credits by the Office of the Registrar at Lincoln Memorial University.
4. Transfer students must meet all degree or program requirements for graduation as outlined in this catalog.
5. Technical or non-university parallel courses are considered for transfer credit on a course by course basis.

Approval to Apply for Coursework at Another Institution

Currently enrolled LMU students applying to take coursework at another institution must meet the following conditions before LMU will accept transfer credit;

1. Current students must gain prior approval before taking courses at another institution (the form available in the Admissions Office or major department).
2. No approval shall be granted for coursework at another institution if the equivalent course is available in the current semester and no scheduling conflict exists.
3. No approval shall be granted for coursework at another institution if the student does not have an overall "C" average at the University.
4. No approval shall be granted for coursework at another institution if the student is in his/her final 32 hours (baccalaureate) or 16 hours (associate) of LMU credits.

5. Students must complete the appropriate form which must be signed by the MLP Program Director and Vice President for Academic Affairs prior to registering for any class outside of the MLP Core Curriculum.

Distance Education and Online Coursework

Selected MLP courses may be offered online. Other online courses offered through the University are also available to MLP students. Upon official enrollment in an online course, students may access the course(s) by using the following steps:

1. Log on to the LMU website, and click on Current Students and Faculty
2. Click on Blackboard and choose Lincoln Memorial University
3. Log on: username is the format of LMU email, firstname.lastname; password (initially) is your birthday in the mmddyy format (i.e. 6 digits); for example, for a birthday of August 11, 1963, the password would be: 081163.
4. Click on the appropriate class.

Special Credit and Credit by Examination

In approved cases Lincoln Memorial University may award special credit (SC). Special credit is defined as post-high school, pre-college learning resulting from activities such as past work and/or volunteer experiences, military service, community involvement, professional certifications, training experiences, successful self-education, and avocational pursuits. Lincoln Memorial University does not award SC for the experience itself or for the years of experience, but rather for the knowledge and skills attained as a result of the experience. Typically it is the older adult student who may qualify for SC.

The University recognizes the value of college-level prior learning as documented by University challenge exams and standardized tests, both of which may result in Credit by Examination (CE). Minimum test scores for challenge exams are established by appropriately credentialed faculty and approved by the respective school dean. If the student scores no more than 10% below the minimum score on a University challenge exam, the student may request a consultation with the faculty member.

LMU utilizes the minimum test scores recommended by the American Council on Education (ACE) for Dantes Subject Standardized Tests (DSST) and College Level Examination Program (CLEP) exams. Where University approved and American Council on Education recognized standardized tests exist (e.g., CLEP, DSST, etc.), LMU will utilize such assessments and recommendations in lieu of challenge exams.

The Management & Leadership Studies Program has identified several resources recognized through the American Council on Education (ACE) through which to earn Credit by Exam (CE) or Special Credit (SC):

College Level Examination Program (CLEP) exams:
<http://www.collegeboard.com/student/testing/clep/exams.html>

Dantes Subject Standardized Tests (DSST)

Portfolio for Prior Learning – www.LearningCounts.org

Students are encouraged to consult with MLP Advisors on all Credit by Exam considerations to insure that these credits apply to their Program of Study. Additional resources are available to students through their MLP Advisor.

Evidence of documented college-level prior learning may be presented in portfolio format in pursuit of SC. The student seeking SC receives assistance from the office of the dean of the applicable school in the preparation of an application portfolio. The portfolio must include, among other documents, an expanded resume with detailed descriptions of academic goals, and verification of learning. The completed portfolio is evaluated for academic merit and credit by a faculty expert or an expert consultant in the field selected by the dean of the applicable school. The evaluation process measures the experiential learning through any or all of the following approaches: 1) product assessment, 2) oral interview, 3) written examination, and 4) skills assessment.

In approved cases, CE may be awarded for passing, at a predetermined level, an examination from the National League for Nursing (NLN), International Association of Administrative Professionals, or similar agencies. Development of a portfolio is not required in the application for CE.

Lincoln Memorial University awards SC and/or CE only if such credit contributes to or supports the student's degree program. Subject to appropriate approvals, awarded SC and/or CE may be applied to fulfill a General Education Core Curriculum requirement, a major or minor program requirement, or as a University elective. The maximum combined SC and CE that may be applied toward a baccalaureate degree is 32 credit hours; the maximum applicable toward an associate degree is 16 credit hours. (Exception: The Diploma Registered Nurse admitted to the Bachelor of Science in Nursing Completion Program may earn and apply combined SC and CE equivalent to the total credit hours required for the LMU Associate of Science in Nursing degree). The last 32 semester credit hours toward a baccalaureate degree **or** 16 semester credit hours toward an associate degree must be Lincoln Memorial University coursework. Neither SC nor CE is calculated in the student's grade-point average.

The student considering graduate study elsewhere or undergraduate transfer to another institution should be aware that not all colleges and universities honor transcript credit designated SC or CE.

Complete information regarding SC and CE, and related fees, is available in the office of the dean of the applicable school. (See page 29 of this catalog for specific fees).

Prior Learning Assessment

A student may make application for prior learning credit (SC) by:

1. Reviewing the Learning Counts.org web-site to become familiar with the process of earning college credit through the portfolio process;
2. Contacting the MLP Director or an advisor in the MLP office to schedule an appointment for program planning and estimating the number of hours that may be earned through prior learning assessment through LearningCounts.org (This is only an estimate and does not guarantee approval of prior learning credit hours (SC)); Prior Learning credit with LMU must be done on a course by course matching model. This means the course (s) chosen for portfolio must be a course offered through LMU's current catalog.
3. Attending a designated Prior Learning Seminar through Learning Counts.org
4. Developing a prior learning portfolio based upon the American Council on Education (ACE) and the Council on Adult and Experiential Learning (CAEL) standards and guidelines by working directly with a faculty advisor through Learning Counts .org;
5. If a student chooses Learning Counts.org, ACE approved transcripts are requested by the student to be sent to Lincoln Memorial University's Registrar for transcription; Portfolio credits will be transcribed at LMU from Learning Counts.org as transfer credit at no cost to the student.
6. Submitting the Special Credit Request Form and the Prior Learning Portfolio to the MLP Director prior to the second week of the second semester of enrollment in the program. All prior learning requests and approvals must be completed by the end of the third semester.
7. All external evaluations will be completed through LearningCounts.org according to the standards set forth by the American Council on

Education

(ACE).

8. Students will incur the cost of the portfolio process through Learning Counts.org.

Academic Integrity

It is the aim of the faculty of Lincoln Memorial University to foster a spirit of complete honesty and a high standard of academic integrity. The attempt to present as one's own the work of others is regarded by the faculty and administration as a very serious offense and renders the offender liable to severe consequences and possible suspension.

1. **Cheating:** dishonesty of any kind on examinations or written assignments, unauthorized possession of examination questions, the use of unauthorized notes during an examination, obtaining information during an examination from another student, assisting others to cheat, altering grade records, or illegally entering an office are instances of cheating.
2. **Plagiarism:** offering the work of another as one's own without proper acknowledgment is plagiarism; therefore, any student who fails to give credit for quotations or essentially identical material taken from books, magazines, encyclopedias, web sources or other

reference works, or from the themes, reports, or other writing of a fellow student has committed plagiarism.

Academic Grievance Procedure

Grievances concerning any aspect of academics should first be taken to the instructor of the class if a classroom situation is in dispute. If a student feels he/she needs to take the matter further, the chair or director of the department offering the course should be consulted no later than two weeks following the first day of classes for the next semester (including summer terms). The next appeal source is the dean of the applicable school. A final decision may be rendered by the Vice President for Academic Affairs.

If the dispute involves an academic program, the academic advisor or the chair of the department should be consulted first.

All academic and grade appeals must be submitted in writing.

Application for Graduation

Each candidate for graduation in the MLP must make a formal application (complete Intent to Graduate form) to the Registrar no later than September 9, 2013 for December 2013 Commencement and January 27, 2014 for spring 2014 Commencement. The School of Business requires all students in the Management & Leadership Studies program to complete all 128 credit hours in order to participate in LMU's Commencement ceremonies. This includes completing all General Education Core requirements, MLP Core Curriculum requirements and any remaining elective credit hours. Any student having outstanding credit hours needed for their degree requirements later than the timelines outlined above will be moved to the next semester graduation date. Verification of completion of remaining requirements will be required and another Intent to Graduate form completed in order to petition for graduation at a later date. A graduation fee of \$75.00 is charged. This fee covers cost of the degree audit (i.e., determining that all academic requirements have been met) and the cost of the diploma and academic regalia.

Family Educational Rights and Privacy Act (FERPA)

The University complies with the provisions of the Family Educational Rights and Privacy Act, 1974, as amended. This law maintains that the institution will provide for the confidentiality of student education records.

No one outside the institution shall have access to nor will LMU disclose any information from students' education records without the written consent of students except to personnel within the institution, to officials of other institutions in which students seek to enroll, to persons or organizations providing students financial aid, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of students or other persons. All these exceptions are permitted under the Act.

At its discretion LMU may provide directory information in accordance with the provision of the Act to include: student name, address, telephone number, major field of study, dates of attendance, degrees and awards received, the most

recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Currently enrolled students may withhold disclosure in writing to the attention of the Registrar.

Students may not inspect and review financial information submitted by their parents; confidential letters and recommendations associated with admissions, employment or job placement, or honors to which they have waived their rights of inspection and review; or education records containing information about more than one student, in which case LMU will permit access only to that part of the record which pertains to the inquiring student.

Lincoln Memorial University maintains a list of all persons, except other college officials, who have received a copy of the student's education record. A copy of the LMU institutional policy on the release of education records is on file in the President's Office and the Office of the Registrar.

Criminal Background Check Policy

If a student is assigned for clinical experiences/practicum at a clinical affiliate's, other affiliate agency, organization, or school requiring a criminal background check, the student will be required to provide the requested information. Students are allowed in the facility at the clinical affiliates, other affiliate agency, organization, or school's discretion. If the agency denies the student's acceptance into the facility, the student will not be able to complete the clinical/practicum/field experience and will be withdrawn from the program.

In certain situations, investigative background reports are ongoing and may be conducted at any time. **Access to the program may be denied at any time by the agency or Lincoln Memorial University.**

Change of Name or Address

A student who changes name, residence, or mailing address is expected to notify immediately, in writing, the Office of the Registrar regarding the change. Any communication from the University which is mailed to the name and address on record is considered to have been properly delivered.

BACHELOR OF SCIENCE DEGREE IN MANAGEMENT AND LEADERSHIP STUDIES

The Management and Leadership Studies Program (MLP) is designed to assist adults, who have a minimum 60 semester credit hours of college credit and prior learning experiences, in obtaining a bachelor's degree. The MLP uses the group network approach and includes:

- Attending classes two (2) nights per week for core MLP courses
- Completing two (2) core classes at a time for eight weeks
- Completing 17 core classes over a 64-week period that defines 54 semester credit hours of study

The curriculum includes components to enhance the student's knowledge of human relations, leadership and general management concepts. Upon completion of the degree requirements, students are prepared for numerous

management and leadership positions that require meaningful business decision making.

Provisional Admission and Pre-MLP Status

Students not meeting the stated MLP admission requirements may be granted either provisional admission or Pre-MLP status, upon review by the MLP Admissions Committee. Provisional admission or Pre-MLP status is determined by the MLP Admissions Committee based on the following: prior work experiences, leadership and teamwork experiences, undergraduate GPA and coursework, letters of recommendation, writing sample, and personal interview.

Students granted Provisional admittance into the program must sign a waiver of understanding prior to beginning their initial coursework. Pre-MLP status allows a student to take MLP electives and other coursework in order to fulfill MLP course prerequisites, fulfill the 60 semester credit hour admission requirement, and/or the 26 semester credit hour General Education admission requirement. Students granted provisional admission or designated as Pre-MLP status may be required to complete additional coursework and writing requirements. Students should consult with an MLP advisor to complete any remaining admission requirements and to develop a program plan. With provisional admission, the student may register for no more than 12 semester credit hours and must obtain a GPA of 3.5 in the first semester of enrollment in the MLP. Pre-MLP status does not ensure admission into the MLP.

Tuition and Fees

The tuition cost to attend Lincoln Memorial University is substantially below the national average. The amounts included in the cost of each semester’s registration are placed on the student’s account in the Finance Office. Interest charges are added to unpaid balances at the end of each month. All charges are subject to audit and verification. The University reserves the right to correct any error by appropriate additional charges or credits. PROGRAM SPECIFIC POLICIES

Student Course Load

Students in the MLP should not exceed 18 semester credit hours within an MLP term. Students registering for more than 18 semester credit hours must have approval of the MLP Program Director and Dean of the School of Business. Students may, however, pursue special credit (SC) and credit by examination (CE) in addition to the 18 hours. Students may take MLP electives during the program with the approval of an MLP advisor.

It is the student's responsibility to acquire approval from an MLP advisor before pursuing coursework that will be applied toward the Bachelor of Science Degree in Management and Leadership Studies. Transient coursework and documentation may be necessary (see "Approval to Apply for Coursework at Another Institution"). Failure to follow this policy may result in LMU not accepting credits taken without prior approval.

Attendance

Due to a restrictive sequence, compressed time frames, group-learning environment, and University regulations, attendance is closely monitored. Course instructors report attendance records to the MLP office on a weekly basis. Absences that are absolutely unavoidable must be arranged with the instructor prior to beginning a module. Only one absence will be allowed for which the course instructor will be obligated to provide make-up arrangements. Make-up assignments can be completed but the absence is still counted in the student's attendance records. Two absences within an individual class require student withdrawal from that class. Late arrivals and early departures are considered against the student's attendance record. Upon missing two (2) classes, students will be notified by an MLP advisor and provided guidance regarding withdrawal from the class. Students having a total of eight (8) accumulated absences in the entire MLP Core Curriculum will be subject to dismissal from the MLP. For all MLP classes, attendance will make up 10% of the overall course grade.

MLP Class Contact Hours

Students enrolled in classes in the Management & Leadership Studies Core Curriculum are required to meet for a total of 37.5 hours of instructor led contact time for three (3) credit hour classes.

MLP-Specific Grade Policies

The following grade policies are specific to the MLP:

1. Repeating a class is necessary if the student receives a grade of "F"; see "Repeating Classes";
2. A grade of "I" must be removed within eight (8) weeks or the grade becomes an "F;"

3. A grade of “IP” must be approved by the instructor and the MLP Director. An “IP” must be removed within eight (8) weeks or the grade becomes an “F”;
4. Students receiving an “IP” or having to repeat a class must complete additional registration procedures and pay all appropriate fees;
5. A “WD” may be applied to any class prior to the third class meeting;
6. The grade for a repeated course will be applied to the GPA if the repeated grade is higher than the previous grade; and
7. Students withdrawing from a class or the entire program must contact the MLP office at the appropriate teaching site and must complete and sign all official LMU/MLP withdrawal forms and meet requirements (see “Withdrawal from the University”). Failure to do so will result in a grade of “F” being recorded for each class in which the student was registered, and the student will receive no reimbursement of fees paid.
8. Students must earn a grade of C or better in the MLP Core Curriculum or will be required to repeat the course.

Repeating Courses

With the approval of the MLP Director, a student may repeat a course a maximum of three (3) times in an effort to improve her/his grade point average. A repeated course requires registration and payment of standard tuition and fees. A repeated course does not increase the total credit hours earned, but does increase the grade point average if a higher grade is earned. The lowest grades are not included in the revised calculation of GPA. However, all course registrations maintained beyond the fourth week of classes of the given term and the resulting grade notations remain a part of the student’s permanent record and appear on her/his academic transcript. Students may repeat courses by joining another cohort group provided that space is available. A student who must repeat a course due to a previous withdrawal may continue with the class sequence upon completion but in any case will be with another cohort group. The repeat module grade is recorded as part of the student’s grade point average. Students who repeat courses are subject to tuition and fees according to the LMU fee schedule in the most current MLP Catalog.

Program and Course Withdrawal Policy

Upon missing two (2) classes in any one course, students will be notified by an MLP advisor and provided guidance regarding withdrawal from the course. A student who must withdraw from a course may proceed to the next course while waiting to repeat the course from which withdrawal occurred. A student may exercise this option one time in the program and must officially register for the course they withdrew from and take it at the next available date it is offered. Students must meet with the MLP Director and complete and sign the official University withdrawal forms when withdrawing from a course or the program. Failure to do so will result in “F”s in the classes the student is registered for and no reimbursement. Any student withdrawing from the MLP must be reinstated by the MLP admissions committee and will be subject to all fees and refund policies of the University.

MLP-Specific Academic Probation and Program Termination Policies

Students with a GPA below 2.0 at the end of the semester will be considered on academic probation until the GPA is at least a 2.0.

Students receiving an "F" in any MLP Core MLP Class must drop back to another group and retake the course.

Students receiving an "F" in two MLP Core Courses will be administratively dismissed from the MLP and are subject to readmission by the MLP admissions committee.
